City of Milwaukee Workplace Clinic

We're OPEN and now have VIRTUAL visits!

The City of Milwaukee Workplace Clinic is OPEN to employees and spouses and now offers convenient and safe virtual visit options to help you practice social distancing without compromising your care.

Telehealth virtual visits are available through video and phone during regular clinic hours. Same-day appointments may also be available.

Common conditions that can be treated with a virtual visit include:

- Cold or flu-like symptoms
- Joint and muscle injuries
- Minor injuries
- Seasonal allergies
- Upset stomach
- Headache
- Low back pain
- Pink eye
- Sore throat
- Urinary tract infection in adult women
- Heartburn
- Mild skin rash
- Rash or skin problems
- Smoking cessation

To get started, call the clinic 414-777-3413: We will walk you through the process to schedule an appointment for a virtual visit.

In-person appointments are available for concerns that are best handled through a face-to-face visit. Please call the clinic 414-777-3414 to schedule an in-person visit.

If you are experiencing a fever, cough and/or shortness of breath, please schedule a telehealth virtual visit and do not visit the clinic in person. If you are concerned about COVID-19 symptoms, call your primary care provider or our hotline at 414-805-2000. For more information, visit froedtert.com/coronavirus.
